28. Save to your photo 9 Folder. Upload it to OneDrive.
29. Image Quality = 12
30. Hand In the Assignment to the Photo 9 Portal Hand In box.

Elements and Principles of Design

Usually projects are structured to teach different Elements and Principles of Design. However this is a skill building exercise and this aspect will not be assessed.

Creativity / Originality

Since this is a skill building exercise, no marks will be assessed for this aspect.

Professionalism marked / 10

Professionalism is based on the attention paid to the accurate and careful presentation of the final project.

The card must be

- 4 inches tall X 6.4 inches wide
- 180 dpi
