PHOTOGRAPHY 12
Photoshop Fun

Background:
- Photoshop can be a powerful tool for both optimizing and transforming your photography
- This is one of the first projects of the semester - we will be taking lots of pictures in order to get you comfortable with the camera again
- Before starting this project we will review many basic and advanced Photoshop skills and tools together
- By the end of this project you should feel very confident using Photoshop

Process:
- Search the Internet for Photoshop Tutorials
- Try adding the word "photography" to your search for different results
- Choose 3 tutorials to try - ones that you especially like
- Complete the tutorials using the images provided or images you find online
- Take your own pictures to use with the tutorials
- Apply the tutorials to your own pictures
- Hand in the unedited and edited versions of your pictures (6 total)
